Overview:

Andriy advises clients on the matters of corporate law, mergers and acquisitions, taxation and other general business issues. Being a business law advisor, he also has vast litigation experience. This helps his clients assess their risks better. Andriy has practical business insight into various industries, including mining & metals, agriculture, banking & finance, which he obtained while serving as a member of supervisory boards of Metinvest, Inguletskiy Mining and Ore Enterprise, MCB Agricole Holding, Agrokombank. He had also worked as the Deputy Chairman of the Department of Foreign Economy and Consulting with the Ukrainian Chamber of Commerce and Industry of Ukraine (1988-1991) and served as advisor to the Minister of Privatization of Ukraine (1991-1992).

Andriy has assisted clients in creating joint ventures and partnerships in various jurisdictions and numerous industries, including mining & metals, energy and agriculture. He has advised clients on complex issues related to joint ventures, including choice of law, entity, structure, and issues relating to majority/minority ownership, 50/50 ownership and other governance matters.

Andriy has been recognized for his business expertise by the following legal directories: Chambers Global, Chambers Europe, PLC Which Lawyer?, The Legal 500, Best Lawyers International, YurGazeta and YurPractica. The Legal 500 – EMEA recommends him as a leading individual in corporate and M&A law and in banking, finance and capital markets law, while Chambers Global and Chambers Europe recognise him as a leading lawyer in dispute resolution (Band 3).
